PURSUANT TO 37 CFR §§ 1.97 AND 1.98**

Dear Sir:

Applicant submits herewith a list of patents and publications AA, FD-FM, and PE-PN, and copies thereof, as required by 37 C.F.R. § 1.98, which Applicant believes the Examiner may consider to be material to the patentability of claims of this application and for which there may be a duty to disclose in accordance with 37 CFR § 1.56. Applicant has previously filed an Information Disclosure Statement for this application on April 2, 1998.

While the patents and publications disclosed herein may be "material" within the meaning of 37 CFR § 1.56, Applicant's inclusion thereof in this Information Disclosure Statement is not intended to constitute an admission that any such patent or publication is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97 (g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that the information cited is material to patentability as defined in 37 CFR § 1.56(b).

Applicant believes that the claims in the present application are patentably distinguishable over the patents and publications listed on the attached Information Disclosure Citation Form.

This Information Disclosure Statement is being filed after the mailing date of the first Office Action on the merits but before the mailing date of a final action under 37 C.F.R. § 1.113 or a notice of allowance under 37 C.F.R. § 1.311. The Commissioner is hereby authorized to deduct the fee of \$240.00 for submission of this Information Disclosure Statement, pursuant to 37 C.F.R. §§ 1.97 (c) and 1.17 (p), from Deposit Account No. 18-1982. The Commissioner is hereby authorized also to deduct any underpayment from, or credit any overpayment further to the filing of this Information Disclosure Statement to said Deposit Account. An original and one copy of this Statement are enclosed.

Respectfully submitted,
